FUNdraiser For Carter's Recovery!

ABOUT CARTER HOLMES:

At age 11, Carter was diagnosed with stage 2 Hodgkins Lymphoma on June 29, 2018 and has been undergoing chemo treatments weekly ever since. Carter has been on skates since he was 3 years old. He has skated for the Viroqua hockey association during the winter months and has been with the Jr. Chill team for the last three years over the summer. Carter is a strong boy and with help, will stick it to cancer!
