Questions or wish to be a sponsor? **Contact Tina Severson, TYH Vice President at 608-386-3673 or vicepresident@tornadoyouthhockey.org.**

Please make checks payable to “Tornado Youth Hockey” and mail to the contact information below.
 An invoice is available upon request and we can create custom sponsorship packages.

Other sponsorship opportunities may be available—call me to discuss what you’re looking for!

SPONSOR A SPORT FOR ALL AGES

The Tornado Youth Hockey Association provides program formats for all age levels, starting at just 4 years old! As you can see from the images displayed here, skaters can start off as a Mite and progress through the program until Bantam age, when after, they move on to High School. Still others move on to Junior Hockey, College levels and so on. Some continue their love of the game by becoming a certified referee, or assisting with coaching at various levels. When you become a sponsor, your organization is seen by all these age levels and participants!

Not only do skaters see the information, but parents, grandparents, and other family members who attend games do as well. And those aren't just local families either! TYH hosts a total of 9-10 home tournaments annually, with the potential to host a State level tournament. These events bring in teams and their families from all over, giving your business not only local exposure, but tri-state exposure as well!

BEYOND COMMUNITY SUPPORT

We've had some sponsors support our organization year after year and here's what they had to say about their participation:

"I like knowing we are involved in a sport that teaches life lessons and touches so many people in the surrounding communities."

"Having played hockey my whole life, it was important that we supported TYH to 'give back.' Great to see the kids grow up every year."
